

The BLT, S & RC Inter Club Racketball competition will be held on Saturday 4<sup>th</sup> April with a 10 am start.

The format will be six teams of five, Team A, Team B, and so on.

The cost of entry is £10.00 per team member. This will include some post competition food.

The format is that each Nos 1 in the team will play all the other Nos 1 in one game up to 15. If the scores are tied at 14 each, then the winner needs to win by two clear points, otherwise normal racketball rules apply. The winner gets 3-points.

The order of each team can be decided on the day, but has to be submitted prior to the start, after which it cannot be changed.

If the unfortunate situation arises where a team member is injured, then a substitute can be used.

When all five members of a team have played their numerical equivalent in one of the other teams, the team that wins will get 3-points towards the Championship club.

Court 1, 2 and 4 will be the competition courts, with court 3 providing a constant warm-up and cool-down facility using the  $\frac{3}{4}$  court format. This will be explained on the day.

With this facility in place there will be no provision for protracted warm-ups before a match on the competition courts, with just one or two minutes allowed for this.

Please see below for the order of play, but in a nutshell the No. 5 will all play, followed by the No.4, and so on until each have played all their matches.

Then it will be the No.3 playing interspersed with the No.2's.

The No. 1 from each team will therefore play their matches consecutively.
